

AGA KHAN RURAL SUPPORT PROGRAMME

آغا خان رورل سپورٹ پروگرام

(A company set up under section 42 of the Companies Ordinance, 1984)

Ref: AK/BLN-APR-021

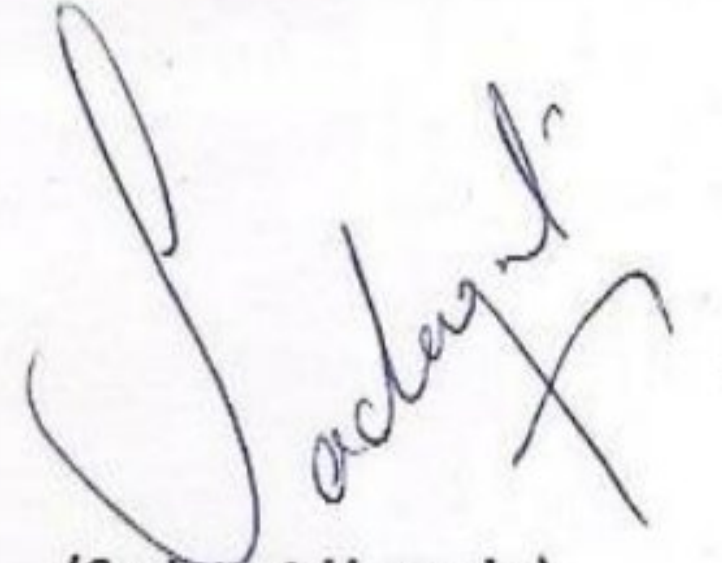

Date: February 23, 2022

To Whom It May Concern

This is to certify that **Dost Foundation Pakistan** has partnered with the Aga Khan Rural Support Programme in Shigar district's Gulapur, Wazirpur, and Tisar UCs for extending our programme interventions. As a Civil Society Organization, Dost Foundation Pakistan's services were highly specialized in the field of community engagement and social mobilization with its strong presence in the community. AKRSP's Covid-19 response project demanded additional expertise in media handling, emergency response and psychosocial support which the organization befittingly delivered during the period of mutual partnership for specific interventions under the European Commission funded Covid response project in the year 2021.

The organization also played a key role in the mobilization of the communities under the Prime Minister's Ten Billion Tree Tsunami (TBTP) project during the same period.

The professional credentials of the organization are highly appreciated and this certificate is issued in recognition of the meritorious services provided by Dost Foundation Pakistan.
